

COVID Relief MSO Funding Request

Updated items in red as of 8/4/2020

Signal Behavioral Health Network (Signal), in order ensure access to substance use treatment, prevention, and recovery services during a period of increased need and significant disruption due to the COVID-19 pandemic is offering financial support to treatment and recovery service providers.

Agencies located in the following regions are eligible for this funding:

- SSPA 1 (Northeast Colorado: Cheyenne, Elbert, Kit Carson, Larimer, Lincoln, Logan, Morgan, Phillips, Sedgwick, Washington, Weld and Yuma Counties)
- SSPA 2 (Denver Metro Area: Adams, Arapahoe, Broomfield, Clear Creek, Denver, Douglas, Gilpin, and Jefferson Counties)
- SSPA 4 (Southeast Colorado: Alamosa, Baca, Bent, Conejos, Costilla, Crowley, Huerfano, Kiowa, Las Animas, Mineral, Otero, Prowers, Pueblo, Rio Grande, and Saguache Counties)

Agencies must meet the minimum requirements to apply for this funding,

- Substance Use Disorder (SUD) Treatment Service Provider: Must be OBH licensed, Medicaid treatment provider and serve indigent clients (those without a payor source and up to 300% of household Federal Poverty Level.
- SUD Recovery Services:
 - Recovery Living communities Must be Oxford House chartered **or** CARR certified (levels I, II, or III)
 - **Recovery service providers must:**
 - **Meet the definition of a recovery community organization (RCO), "An independent, non-profit organization led and governed by representatives of local communities of recovery. (Such organizations carry out recovery-focused community education and outreach programs, and/or provide peer-run recovery support services.)"**
 - **Or, offer recovery services at an OBH-licensed treatment provider.**

Additional information may be requested by Signal prior to approval of funding.

Funding criteria

Providers interested in accessing this funding support should submit a request for funds along with a capacity-based budget template. Funding may be requested for up to 3 months between July 1, 2020-September 30, 2020 for support of the following categories (ordered by priority):

1. Direct COVID-19 related expenses

- Personal Protective Equipment (PPE) for staff of clients and training on use of PPE
- Cleaning supplies or services
- Telehealth equipment, services, training, and support
- Upgrade facilities and procedures to accommodate distancing and separation, and enhance infection control
- Staff support (documentation of staff receiving funds will be required)
 - Critical care and program staff monthly stipends (up to \$500/mo above base pay)
 - Paid sick leave, paid leave for mandatory quarantine, supplemental payroll for normal hours unable to work due to COVID-19 constraints, or funds for temporary staff to cover for those on quarantine
 - Overtime pay
- Transportation
- Capacity to treat clients who are COVID-19 positive in SUD bed-based programs (residential and withdrawal management).
- Employment assistance for clients displaced from the workforce
- Support of Recovery Residences through employment assistance or support of residents housing costs due to COVID-19 disruptions and job loss.

2. Sustainability of Services, Due to COVID-19 Impacts

Sustainability funding for Critical Services (withdrawal management programs, residential programs, services offered in facilities, opioid treatment programs, Mediation-Assisted Treatment, Emergency and Involuntary Commitment programs, Recovery Community Organizations, and Recovery Housing Programs). Budgeting will use the OBH capacity budget.

3. Service Expansion

Expansion of services to Indigent clients, to provide services due to expanded need for SUD treatment and recovery services.

Funding request

Questions in regards to this proposal will be accepted until August 10 and should be sent via email to proposals@signalbhn.org.

Please submit the following funding request form and capacity based budget template to proposals@signalbhn.org by 5pm August 12. If there are no follow-up clarifications necessary, the agency will receive a contract or contract amendment from Signal indicating the amount of funding that is approved.

Signal has limited available funds and will support providers on a first come, first served basis. Signal will continue to release additional offerings as funds are available. Signal may revise budgets based on available funds or other factors.

Invoicing

If funding is approved, providers will be asked to submit a monthly invoice for these additional allowable expenses that is derived from the submitted and accepted budget.
