

COVID-19 Relief MSO Funding Request (January-June 2021)

Signal Behavioral Health Network (Signal), in order to ensure access to substance use treatment and recovery services during a period of increased need and significant disruption due to the COVID-19 pandemic, is offering financial support to treatment and recovery service providers.

This opportunity is available to providers who are currently contracted with Signal for treatment and recovery services.

Agencies located in the following regions are eligible for this funding:

- SSPA 1 (Northeast Colorado: Cheyenne, Elbert, Kit Carson, Larimer, Lincoln, Logan, Morgan, Phillips, Sedgwick, Washington, Weld and Yuma Counties)
- SSPA 2 (Denver Metro Area: Adams, Arapahoe, Broomfield, Clear Creek, Denver, Douglas, Gilpin, and Jefferson Counties)
- SSPA 4 (Southeast Colorado: Alamosa, Baca, Bent, Conejos, Costilla, Crowley, Huerfano, Kiowa, Las Animas, Mineral, Otero, Prowers, Pueblo, Rio Grande, and Saguache Counties)

Funding criteria

Providers interested in accessing this funding support should submit a request for funds along with a capacity-based budget template. **Funding may be requested for** up to 6 months of expenses between January 1, 2021 and June 30, 2021 for support of the following categories (direct expense requests will carry higher priority than sustainability subsidy requests):

1. Direct COVID-19 related expenses

- Personal Protective Equipment (PPE) for staff of clients and training on use of PPE
- Cleaning supplies or services
- Telehealth equipment, services, training, and support
- Trainings on disease prevention
- Staff support (documentation of staff receiving funds will be required)
 - Critical care staff monthly stipends (up to \$500/mo. above base pay). Critical care staff is defined as those staff that are working in the following programs: withdrawal management programs, residential programs, opioid treatment programs, Medication Assisted Treatment, Recovery Community Organizations, and Recovery Housing Programs.

- Paid sick leave, paid leave for mandatory quarantine, supplemental payroll for normal hours unable to work due to COVID-19 constraints, or funds for temporary staff to cover for those on quarantine
- Overtime pay related to COVID-19 impact
- Transportation support
- Capacity to treat clients who are COVID-19 positive in SUD bed-based programs (residential and withdrawal management)
- Employment assistance for clients displaced from the workforce
- Support of Recovery Residences through employment assistance or support of resident housing costs due to COVID-19 disruptions and job loss
 - Rental support cannot exceed \$800 per month per resident and associated overhead expenses cannot exceed \$150 per month per resident
- Technical assistance, claims processing, utilization review training, and other supports for residential treatment providers who accept Medicaid for services with the goal of expanding access to the increased population who are enrolled in Medicaid due to the impact of COVID-19 on the economy.

2. Sustainability of Services, Due to COVID-19 Impacts

Sustainability funding for critical services with impacts attributed to disruption from COVID-19 (for example, a reduction in program census, public health order changes, etc.). Budgeting will use the OBH capacity budget.

Funding request

Please submit questions in regards to this offering to proposals@signalbhn.org. Questions will be accepted until March 12.

Please submit the funding request form and capacity-based budget template to proposals@signalbhn.org by March 26. If there are no follow-up clarifications necessary, Agency will receive a contract or contract amendment from Signal indicating the amount of funding that is approved.

Signal may revise budgets based on available funds or other factors.

Invoicing

If funding is approved, providers will be asked to submit a monthly invoice for these additional allowable expenses that is derived from the submitted and accepted budget.
